

4-1-6: FIRE CODE ADOPTED:

- A. Boundaries Of Fire Limits: All that portion of the city embraced within the city limits shall be known as the fire limits of the city. (1995 Code § 25-5-1)

- B. Fire Code Adopted: The uniform fire code published by the International Fire Code Institute, as modified and amended from time to time by the Utah uniform building code commission in compliance with the uniform building standards act is enacted and adopted by reference for use in the city and shall be enforced by the city for all construction under the jurisdiction of the city. (1995 Code § 25-5-2)

- C. Successor Editions Adopted: All successor editions of the uniform fire code which may be adopted by the uniform building code commission of the state are enacted and adopted by reference for use in the city and shall be enforced by the city for all construction under the jurisdiction of the city. (1995 Code § 25-5-3)

- D. Amendments Adopted: Each amendment to the uniform fire code which is adopted as described by the Utah building code commission in the Utah administrative rules, and more specifically in R156-56-20, is enacted and adopted for the city except where such provisions are expressly limited to political entities described in the rules. (1995 Code § 25-5-4)

- E. Copies Available: Current editions of the uniform fire code book will be kept on file at the city offices for public reference. (1995 Code § 25-5-5)
