

10-10C-3: APPROVAL OF PLANS AND DOCUMENTS NECESSARY:

Any person wishing to construct a vacation vehicle park shall obtain from the planning and zoning administrator information pertaining to the city's plan of land use, streets, public facilities and other requirements affecting the land within the development. Before a permit can be issued for any construction connected with a vacation vehicle park, the preliminary plans, required documents pertaining to the development and the final plans shall have been approved as hereinafter set forth. (Ord. 6-18-81A, 6-18-1981)
