

8-2-2: USE OF PUBLIC SEWERS:

- A. Deposits Prohibited: It shall be unlawful for any person to place, deposit or permit to be deposited in any unsanitary manner on public or private property within the city, or in any area under the jurisdiction of the city, any human excrement, garbage or other objectionable waste.
- B. Discharges Prohibited: It shall be unlawful to discharge to any natural outlet within the city, or in any area under the jurisdiction of the city, any sewage or other polluted waters, except where suitable treatment has been provided in accordance with subsequent provisions of this chapter.
- C. Facilities Prohibited: Except as hereinafter provided, it shall be unlawful to construct or maintain any privy, privy vault, septic tank, cesspool or a facility intended or used for the disposal of wastewater.
- D. Connection To Public Sewer Required: The owners of all houses, buildings or properties used for human occupancy, employment, recreation or other purposes, situated within the city and abutting on any street, alley or right of way in which there is now located or may in the future be located a public sanitary or combined sewer of the city, or within three hundred feet (300') of the system, is hereby required, at the owner's expense, to install suitable sewer facilities therein, and to connect such facilities directly with the public sewer in accordance with the provisions of this chapter, within one hundred eighty (180) days after date of official notice to do so; provided, that said sewer is within three hundred feet (300') of the owner's property line.
- E. Penalty: To evidence compliance with the requirements of this section, the city adopts the penalty and compensatory sanctions, the violation of which shall constitute a class B misdemeanor, under the authority of Utah Code Annotated section 10-8-38, as amended, and, upon conviction, subject to penalty as provided in section 1-4-1 of this code. (Ord., 8-15-2000; amd. 2003 Code)
