

10-10E-2: INTENT:

It is the intent of these motel provisions to provide safe, sanitary and attractive facilities for the tourist and traveling public while visiting the area. It is also the intent of these provisions to prevent the use of a motel as a substandard apartment complex and to protect the integrity and characteristics of the zone or zones in which motels are located. (Ord. 6-18-81A, 6-18-1981)
