## **URGENT MESSAGE FROM MARK, WE NEED YOUR HELP**

I am writing you from a Federal Detention Center in Miami Florida where my 3 sons and I have been kidnapped and held now for over 1000 days WITHOUT a victim, bail, trial, first hand accuser or any evidence of a crime or even intent to commit a crime! We are defending ourselves and have NO lawyers because they all work for the US Corporation. we need the prayers of Real believers Brother! What has happened to us is pure evil! Sorry for the long letter but this is just the "tip" of the iceberg I am telling you.

I also have personally have passed out 10s if not 100s of thousands of Chick Tracts throughout the world and encouraged many to do the same. I made a "mission trip" specifically to the Vatican for that purpose in the 80s. We put "Are the Roman Catholics Christians", "Why is Mary crying" and "Is there another Christ?" in all the offering boxes, at all the idols and gave as many personally as we could until the Swiss guards kicked us out. In front of Saint Peters square we had 10+ taxi drivers reading Alberto sitting on the hood of their cars and many agreed that the Vatican is an evil place. I wish I still had that picture Brother! I am telling you this to give you a background of the ministry that God gave me to do. Besides having our Church we street preached a lot in Boston and helped many missionaries with tracts. I have so many stories I could tell you that are incredible all by themselves in the 45 years of serving the LORD. Hopefully, one day we can sit down together. When I left Massachusetts to be a missionary to Nigeria in 1989 Chick donated 20,000 tracts to us from their mission account and we filled a 20 foot container with John and Romans and other tracts to be distributed throughout Nigeria. We had 100,000 people studying on our Bible course in Nigeria at that time. I thank the LORD for Chick

Publications. We use them a lot in Boston and other cities in the US also. David, I just gave you a little bit of my background for you to understand that I am a true Bible believer and the number one reason that we as believers are left here on this earth after being saved is Acts 1:8, "To be witnesses unto me" If you don't do Acts 1:8; God will do Acts 8:1 to any person or nation who doesn't follow His commandment to be witnesses of Him to the ends of the world.

What has happened to us, we believe, is directly due to us preaching the Gospel by loving God first and secondly "loving our neighbors as ourselves" which is commanded in Matthew 22:36-40. My sons and I were healing the so-called "Covid 19 virus" (which has never been isolated and the test was only showing dead RNA from influenzas A or B) in 1-3 days and publishing 10 testimonies from "Covid" and many other illnesses cured from around the world on our weekly podcast "G2voice" which we had 250,000 downloads and was shut down! Those 200+ broadcasts are found here: [www.brighteon.com/G2Church](http://www.brighteon.com/G2Church) or [G2Voice](http://G2Voice). In 10 years my sons and I had done 63 seminars in 20 countries and had trained people as "Health ministers" in over 130 countries. We started a "Health Church" in 2010 called "The Genesis II Church of Health and Healing" which was more than just a "Health Church" because we focused on the Spiritual as well. We were showing many people around the world how the pharmaceutical toxic drugs were killing them and how to rid illnesses from their bodies. We also were witnessing to anyone we could which is our main reason to even health people physically!
