Our Legal Battle, Mark and His Sons

Hello everyone, Many people are asking us about our legal situation. And what we are doing, we know that it has been a bit difficult to understand the situation and we would like to share more, unfortunately doing so could be detrimental to us, as you well know "everything we say could be used against us" and this has happened in many occasions, so I will not go into much detail in this newsletter. We are will ONLY participate in a 7th Ammendment Common Law, which is the ONLY law of the land according to the Supreme court, Rhay v. Self,. Doing it this way is slow because they are holding us due to their corruption. We now as of today have 2 WRITS which are orders in the Supreme court. They are the ONLY court that honors the Constitution. Pray that they ORDER this lower inferior court to dismiss ALL charges and release us. The judge here now knows we will only consent to a "Common Law" trial by jury of the 7th Ammendment which they DO NOT do so they cannont go forward and we will NOT give our consent which they need to go forward. If they do the judge is committing TREASON! She knows it and so does the the Supreme Court and the DOJ.

We don't need help with the defense becasue those that are helping us now are doing it out of the kindness of their hearts.

We do ask you all to help us with our famlies expenses which is around \$3,000 - 3,500 monthly. We have a very secure site with the ebooks or paypal

God bless you all

Help Bring Hope: Donate to Free Mark and His Sons

I write to you today with a heavy heart, burdened by the unjust and prolonged imprisonment of Mark and his three sons, Joseph, Jonathan, and Jordan. For over 1050 days, they have endured the harsh reality of life behind bars, torn apart from their families and loved ones. They have been deprived of their freedom, their voices silenced, and their dreams put on hold.

However, I believe in the power of unity and collective action. Together, we can make a difference in the lives of Mark and his sons, and help bring them the justice they deserve. The road ahead is long, and we need your support now more than ever.

It is with great concern that I inform you that donations for their legal defense and support have reached an all-time low. This is a critical moment. Bishop Grenon has always remained positive. He says, "God will provide," and, often states that he draws his strength from knowing that we support his courageous stand by showing love to him and his loved ones. We must rally together, demonstrating our solidarity and unwavering commitment to justice.

You have the power to change their lives. Your donations will provide the much-needed resources to fight their legal battles, bring attention to their plight, and support their families who are struggling emotionally and financially. Every contribution, no matter how small, makes a significant impact on their journey towards freedom.

To donate, please visit the links provided below or consider purchasing Mark's books, which offer invaluable insights into his life, his extensive research and his struggles. Your support will not only provide financial aid but also amplify their story, reaching more people who may be able to help.

The urgency of this situation cannot be overstated. Time is of the essence, and we must act swiftly to ensure justice is served. Imagine the anguish Mark and his sons endure daily, longing for a chance to be reunited with their families, to rebuild their lives, and to have their voices heard. Let us be their voice and their beacon of hope.

On behalf of Mark, Joseph, Jonathan, Jordan, and their families, I express heartfelt gratitude to all those who have generously contributed thus far. Your unwavering support has sustained them through this trying journey. Now, we need you to continue standing with us, to make a renewed commitment to their cause.

Please, take immediate action:

Donate today and make a difference in the lives of Mark and his sons.

Share their story with your friends, family, and on social media platforms to raise awareness and garner more support.

Purchase Mark's books and contribute to their cause while gaining insight into their incredible resilience.

Join us in advocating for their release by contacting relevant authorities and organizations.

Together, we can make a significant impact on their lives and bring about the justice they so desperately need and deserve. Let us unite our voices, our resources, and our compassion to ensure that Mark and his sons are set free and reunited with their loved ones.

Thank you for your unwavering dedication, compassion, and support. Let us shine a light on their path to freedom and show the world the power of justice, kindness, and unity.
