Urgent Appeal for Support - Grenon Family Legal Defense Fund

I trust this letter finds you in good health and high spirits. I am writing to express our deepest gratitude for your unwavering commitment to supporting Bishop Grenon, his sons Joseph, Jonathan, and Jordan, and their entire family during these challenging times. Your prayers and financial contributions have been a beacon of hope for them, and we cannot thank you enough for standing by their side.

As you may be aware, Bishop Grenon and his sons have been unjustly imprisoned for more than three and a half years, enduring a prolonged period of hardship and uncertainty. Sadly, their situation has taken a turn for the worse recently, as the prison they are confined in has been under total lockdown for more than a month. The inhumane conditions they are subjected to during this time are deeply distressing.

In light of these circumstances, we are reaching out to you, our cherished supporters, to emphasize the urgent need for continued spiritual and financial support for the Grenon family. Bishop Grenon, due to the restrictions placed upon him, has been unable to appeal directly for assistance. Therefore, we are calling upon you to join us in this critical mission.

Please take action today! If you take a look at the Givesendgo site, you will easily see that donations are very low. We have needs met up to this coming Monday 2/5/2024 but, really need to provide family financial assistance for the remainder of this month.

Relentless Spiritual Support: Now, more than ever, the Grenon family needs our spiritual strength. Please continue to uplift them in your prayers, seeking divine intervention for their release and protection. Encourage your friends, family, and community to join in this collective effort. Share their story and let the power of prayer be a source of comfort and resilience for the Grenons.

Financial Assistance: The Grenon family's financial burdens have only intensified during this extended period of incarceration, exacerbated by the recent lockdown. Your financial contributions, whether large or small, can make a significant impact on alleviating their struggles. Consider making a one-time donation or setting up a recurring contribution to provide ongoing support. Every dollar counts, and together, we can make a difference.

Fasting for the Grenon Family: In recognition of the gravity of the situation, we humbly request that supporters consider fasting as a special act of solidarity with the Grenon family. Fasting has

long been a spiritual practice, symbolizing sacrifice and devotion. By collectively participating in this act, we hope to channel positive energy towards the Grenons and demonstrate our commitment to their cause. Let's come together and place our faces towards God.

Daniel 9:3

And I set my face unto the Lord God, to seek by prayer and supplications, with **fasting**, and sackcloth, and ashes:

Let us unite in our efforts to bring about positive change and justice for the Grenon family. Together, we can make a meaningful impact and provide them with the support they desperately need during this crucial time.
