Urgent Update: Mark Grenon's short message

Dear Friends,

We wish to offer an update on Mark's recuperation post his successful surgery. While we're immensely thankful for the favorable outcome, we acknowledge the anticipation for additional details regarding his recovery progress. Presently, we're awaiting further updates from Mark himself, and we'd like to share a brief message from him:

MARK SCOTT GRENON:
Back from hospital:

"Hey everyone! I'm back from the hospital and with my son Joe. I am weak but my hear valve was repaired and two blocked arteries. My voice is shot due to the tube taken out too fast. I will write more soon. It will take 5 weeks to heal this surgery.

Pray I am released sonn. May the Lord Jesus get the glory in all things. I was able to talk to many in the hospital. The month of February was the hardest month of my life healthwise but maybe one of the great Spiritually!

Keep me in your prayers please.

Lord bless

mark
