Case Progress Report and Appeal for Assistance

I can't express in words what you have all meant to my family and I during these "trying" times. The prayers, encouraging words and support have been such a comfort to us and a confirmation that we were doing the right things in God's eyes! The attack we are receiving is first Spiritual, "against principalities", "powers", "spiritual wickedness in high places" and "the rulers of darkness of this world. We know the "prince of the air", Satan didn't like what we were doing so we were attacked visously!

The last two months of attack seems to have focused on my health and boy has it been difficult to say the least. I felt everyone's prayers and the comfort from the Lord which is getting me through this time. People ask; What are you learning from this trial of your faith? I got thinking about that and I really haven't learn anything new but was constantly reminded of Truths I already knew in God's Word. My Life verse is: Proverbs 3:5&6 which states,

"Trust in the Lord with all your strength and lean not unto thine own understanding, in all thy ways acknowledge him and he will direct your path". That verse has got me through major trials and has been my comfort so many times since I've been saved 45 years. It was one of the first verses I memorized as a new believer and even had it stamped on my Bible in gold!

Acknowledge the Lord in everything no matter if you understand why things are happening. In fact, 99% of the time the Lord will NOT let you know what He is doing until it is all over and you look back! If I knew that when I pressed the emergency button in my cell that I would go to the hospital have my heart stopped and then have open heart surgery and a vein taken out of my leg to fix two blocked arteries, would I have pushed it? You see God says just trust me, I'll take care of you! I will not know what He is doing But I DO KNOW WHAT HE HAS DONE AND THE PROMISES HE HAS GIVEN ME. That is what we need

to hang on to. Learn your Bible and memorize His Word!

I remember in Bible college when I first got saved there were a lot of Pastor's kids and Missionary Kids. We called them PK's and MK's. They grew up in the Church and many took it for granted the things that I was just beginning to learn. I wanted to go out in the streets and witness. A few of us mainly "new believers" would do that on Saturday then bring people to Church on Sunday. Some were street people and some weren't. The PK's and Mk's would called us "too heavenly minded to be any earthy good". I was confused. All we wanted to do is what Jesus did and the Apostles which was mandated by Jesus Himself and He did it as well. "The Son of man CAME (emphasis mine) to SEEK and to SAVE that which was lost" Luke 19:10. "As the Father sent me so send I you", John 20. Jesus left us "an example that we should follow in His steps", I Peter 2. Jesus as He ascended into Heaven told the group at the Mt. of Olives to "be witnesses unto me, both in Jerusalem, Judea, Samaria and the uttermost parts of the earth", Acts 1:8.

Jesus isn't asking us to die for Him but to LIVE for Him in a sacrificial manner. What He wants is what we should be doing, where He wants us is where we should be!

Look at Matthew 6, "Seek ye FIRST the KINGDOM of God and His righteousness and all these things will be added unto you"
God first mentioned again!

After having my heart stopped, chest opened up and still here I am even more serious about seeing people REALLY saved! If you died tonight do you know where you would spend eternity?

You can KNOW and You can HAVE eternal life, John 3:16 and I John 5:13. Read those verses my friends.

Don't trust your Religion, Sacraments, Church, Good works and What you think is the way But ONLY the Word of God

Here is how you become saved:

"That if thou shalt confess with thy mouth the Lord Jesus, and believe in thy HEART that God hath raised him from the dead, thou shalt be saved. For with the HEART (Emphasis Mine) man believeth unto righteousness; and with the mouth confession is made unto salvation. For WHOSOEVER (Anyone, Anywhere, Anytime) shall call upon the name of the Lord shall be saved."
Romans 10:9,10,13

Lord bless,

The recent onslaught by the FDA and DOJ, instigated by Big Pharma, has added to our challenges. They aim to silence those who seek to promote alternative health solutions. We need your help to fight back.

Your donations will support us in various ways, from covering legal fees to providing for our basic needs and ensuring access to essential food supplies. Every contribution makes a significant difference in our ability to continue our fight for justice and truth.

Please consider supporting us financially so we can withstand these attacks and continue our mission. Thank you for standing with us in this critical time.

Please consider contributing to their cause by ordering Mark's books found here:
