IMPORTANT NEWS!

I hope this message finds you well, though the circumstances prompting my letter are far from uplifting. Today, I write to you with a profound sense of urgency, heavy-hearted as I share the plight of the Grenon family.

Recents changes:

Jonathan Grenon remains in Yazoo City Low II. Jordan Grenon faces similar circumstances, incarcerated at FCI Fort Dix. However, I'm relieved to share a glimmer of hope amidst the adversity. Mark and Joseph Grenon, who have been detained at FDC Miami, are soon to experience a significant change in their circumstances. They are **being transferred this month to a low-security prison**, where they will have more liberty, including the possibility to have cellphones and communicate. Moreover, **their release date is set for September 4.**

Imagine the profound emptiness and yearning that must accompany such deprivation for the Grenon family.

As members of the Grenon community, we hold the power to make a tangible difference in their lives. By uniting in solidarity and support, we can offer solace amidst their suffering. Though we cannot undo the injustices they have faced, we can alleviate some of the pain and isolation by facilitating visits from their family. Each contribution, no matter how small, brings us closer to reuniting the Grenon family and offering them a measure of comfort in these trying times.

Therefore, I implore you, to heed this call to action and contribute generously to our efforts to provide food supplies for the Grenon family. Let us rally around them with unwavering compassion and determination, demonstrating our commitment to supporting them in their time of need.

In closing, I want to express my deepest gratitude to each and every one of you who chooses to stand in solidarity with us during this challenging time. Your kindness, generosity, and unwavering support serve as a beacon of hope in the darkest of times, reminding us that even in the face of adversity, love and compassion prevail.

Thank you for your consideration and support.
