

GATEKEEPER ALTERS

The Gatekeeper alters are just that. They protect the gates or portals to all System levels. Infrequently, the programmers may also call them "doorkeepers", or "tollmen" & "toll women". The victim may refer to them as guards or blockers, although Gatekeepers are more than guards, they are an entrance or portal to something. Gatekeepers may often be the alter that was split to get a particular section. Each gatekeeper may be at a deeper level trance than the one before it. When a Gatekeeper is split it creates a natural link to the alters that are created from itself. Then the Gatekeepers are given programming not to see what they have created
