Searle Company Inc. D.B.A. Sav On Propane <http://savonpropane.net/>

On 2020-12-30 I received a Delivery Invoice # 10867 for 470.7 gallons of Propane at \$1,799 per gallon when I was told the price of propane was \$1.699 per gallon by the Price, Utah office manager. Her husband's excuse was there had been a price increase! LIE!

On 2020-12-30 I called the corporate office of Searle's Sav On Propane in Vernal, Utah 84078, 435-789-3198 at 2:55 p.m. for 16 min, 4 sec. and talked with the owner's wife/office manager. When I asked her what the price of propane (LPG) was she said it was \$1.699 per gallon and there had been NO price increase!

On 2021-01-12 I received a Statement from the Price, Utah 84501 office showing a Balance Forward of <\$501.21> as of 12-08-20. When I stopped by the Price, Utah office November 17, 2020, they still had my address as 40 W Cottonwood Dr.; Green River, Utah 84525. It has been over three years since my 500 gallon propane tank has been at that address!

According to their FAKE records, they delivered 66.8 gallons of propane for a total of \$100.72 to my tank on 2020-09-15! There is no way that delivery was made to MY tank, since it has been locked for over three years, and they do NOT have a key to it! My balance on 12-08-20 should be <\$601.93>.

On 12-15-20, see ticket #77452 and Check 1584, I bought 10 feet of 1/4 inch I.D. LPG hose. The Price, Utah office manager charged me for 12 feet of hose at \$2.50 per foot. When I saw what she had written on ticket #77452, I told her it was only 10 feet and to just credit my account the \$5.34 difference since I had already written the check.

The 01-07-21 Statement next shows that on 12-15-20 reference # 77452, LP 3/8 inch H/Pressure hose for 12 feet @ \$2.50 / foot for \$30.00. I am sure the 3/8 inch I.D. LPG hose was \$2.50 per foot and I only received 10 feet of 1/4 inch I.D. LPG hose! I am sure the 1/4 inch I.D. LPG hose is less than the 3/8 inch I.D. LPG hose that is listed on the 01-07-21 statement! The difference was supposed to be credited to my account and their is NO indication of a credit being recorded to my account on 12-15-20!

On 12-20-20 reference # 10867 shows: Propane 470.7 gallons @ \$1.799 = \$846.79, which should have been 470.7 gallons @ \$1.699 = \$799.72, since there really never was a price increase! That should bring the tax to \$32.39, making \$832.11 the total.

The FRAUD continues at the Searle's Sav On Propane, Price Utah office!
